

## Feedback for Maths Day - 9<sup>th</sup> March 2017

Lots of fun we enjoyed. Thanks.

She is very very happy - blue room.

Me and Cole had fun doing all the different activities in the classroom & also outside in the garden.

Very good today with kids.

Very lovely place and Safia and I enjoyed a lot.

It was very nice seeing parents and children getting to learn different ways of adding numbers. Kids enjoyed the activities and it was a brilliant idea of explaining maths to children. Thank You.

Lots of fun we enjoyed a lot. It is useful for children thank you. Krina.

Very informative and stimulating activities to help me with ideas to teach maths at home. Maryam's Mum.

It was very nice and interesting, keep it up I really enjoyed. Well done.

It was very nice and lovely day today.

It so good, we understand how we will learn our children.

Very nice children are very happy.

Very very enjoyable our children are happy.

Fardin M - He is very happy. Thanks.

Very stimulating maths activities and enjoyed and explored majority of the activities.

Lots of fun activities. Enjoyed playing with my daughter at nursery. The lovely weather made it all the better!!

Very interesting to learn about activities. Parents could do at home on daily basis with basic things available at home.

Very good, I 'm very enjoying. Thank you ☺

Fatima - I saw so many funny way to learn maths. The children enjoyed and learn at the same time.

Every one thanks for today, everything good. Kids enjoy a lot.

It is nice. We got chance to see our kids how they do in nursery.

Maths day was brilliant idea as showed me how the kids learn in a school environment and also getting parents involved. Really nice day. Please more days like this.

The maths day was really fun for kids and mummy's and I found out that it's really good for their knowledge and for the future.

Playing with children, counting together was very interesting. Everything was well arranged.

We learn many things. We are so happy we like it.

We enjoyed everything.

It was really fun, and my child enjoyed it. We tried all the activities ☺

It was lovely to see how little things they have set very interestingly for kids. Great ideas, keep it on!

My son is really enjoying stay and play with mum and dad its very useful and good. Love St Stephen's School. Well done.

Good job. Good practice.

All activities are good, enjoyed it very much. My child love it.

Very good day today for him and me.

Blossom's mum was happy with blossom, counted all the strawberries (26 of them). Mummy was happy to see the playground full of activities.

My daughter had enjoyed today counting, playing game. I am happy to learn new ways of counting skills.

Today's math day was very informative and exploring. My kid love to play and learn with new things around the class. Thank you for arranging the lovely day.

We really enjoyed the strawberry game and ladybird game. This is definitely enjoyable and engaging. I loved seeing how my daughter is in nursery.

Really good & creative ideas for children to learn maths. Even good activities which children enjoy it. Hope to have more creativity so that children get encouraged more towards studies. Love it todays session.

It was really wonderful to join the maths day programme. There was lots of learning activities inside and outside the class. Children enjoyed a lot. Thanks

Had really nice time so much fun activities with Zain. Really nice way of doing educational activities and spending time with little ones. We did enjoy balancing, counting, matching colours, building blocks, etc. xx

I am so happy she soo happy. Thank you ☺

It was helpful and fun for my child to learn and know how to use numbers.

Today is very good and nice idea & love this.

Enjoyed watching duck's hatching. All activities was very good lots of maths.

Nice enjoy with kids and play with kids.

It's a amazing day for children learning a lot. Inside and outside activities. They really enjoyed. Aditi's parents.

It was good to have a focus for the day although due to all the parents being in it was very loud and hard to concentrate. Was good to see my son play and interact, nonetheless.

I really enjoy. I think my son is quite safe over here. He is learning lots of things. I find my childhood over here. Rafia - Ahmad's mum

Great experience. Loved the ladybird game. Nice for family to sit together and play. Only takes 10-15 minutes.

We very enjoy all the swing and walking the log.

Wonderful effort. Learnt so many tricks in teaching. Thank you so much.

It was nice to see many many activities and see the kids how they play.

Maths Day was very useful. My son Yusuf really enjoyed it, it is such a good idea to include the parents in this. Keep it up! Nafisa N

Alima play happy, enjoy today time.

Very nice, very good.

I found it very helpful, quality time with my son.

We enjoyed all activities specially garden activities. Enjoyed ducks.

Excellent activity session, teachers were really interactive - we loved the ducks and they were really nice to hold. Excellent activity day, with great activities for children and parents. Imran

This morning it was very fun and the children were making some jobs.

Really enjoyed playing with my son in his daily environment and doing the activities. Can we have more notice about it being compulsory for parents to attend next time?

Lots of fun activities, specifically the supermarket one.

It was very good, children enjoy a lot. Thank you

Lots of fun for everyone. She enjoy with shapes.

I would like to thank all staff of St Stephens Nursery because they doing a great job, it was a nice experience day we practice math with our children. Thanks a lot.

It was amazing. She loved to play and enjoyed. I liked the idea of counting games.

Very well planning. Lot of efforts & involvement of all staff. Very creatively designed all the activities. It is really fun and now maths can be easy & interesting for kids and also to parents to teach children. Regards Cyli

Had an excellent time - thank you so much ☺
